You will find our basic offer of manufactured stemware, tumblers, decanting carafes, vases, and other assortment in the catalogue “For your table 2019”. In the other catalogues, there is a wide range of decorations as well as the HoReCa assortment.

Crystalex CZ, s.r.o. owns a number of trademarks. The most important of these is the “Bohemia Crystal” brand (respectively “Bohemia Glass”), which, in the 1960s became the most used trademark for the export of glass of Czechoslovakia in that time. Since 2010, the sole owner of this brand is the company Crystalex CZ. The trademark “Bohemia Crystal” is registered in many countries around the world and it became synonymous with quality Czech glass.

The crystal glass mass named Sparkle excels due to its optical properties – especially outstanding brilliance – but also due to superb mechanical and chemical resistance. The articles withstand thousand washing cycles in a dishwasher without visible changes, they offer excellent resistance to thermal shocks and also a great mechanical resistance. More information on its properties, and tests including their conditions can be found at www.crystalex.cz.
